Attendance News!

Well done **Year 2 Class 5** for having the highest attendance this week of **99%**.

Please make sure that your children come to school everyday and on time! If you are late, please report to the school office to get a mark on the register. Children coming in late disturbs the learning of the whole class.

Nursery Book of the Week

Ladybird class love the story 'Jumble Wood' by Helena Covell and it's a book we come back to time after time. It's a story about little creatures in Jumble Wood, who all have a favourite thing that brings them happiness, except Pod. Pod goes on a journey to find the thing that makes her happy, but in the end, she finds out it is not a thing that makes her happy, but the people she meets on the way.

We asked Ladybird class what they liked about the story and what made them happy.

'I love the colours of the book.'

Illi Rose

'I like the characters.' **Robyn**

'I like the worm.' **Ruben**

'I like the letters inside the story because I like them.' **Wilbur**

'Books make me happy' **Jhene**

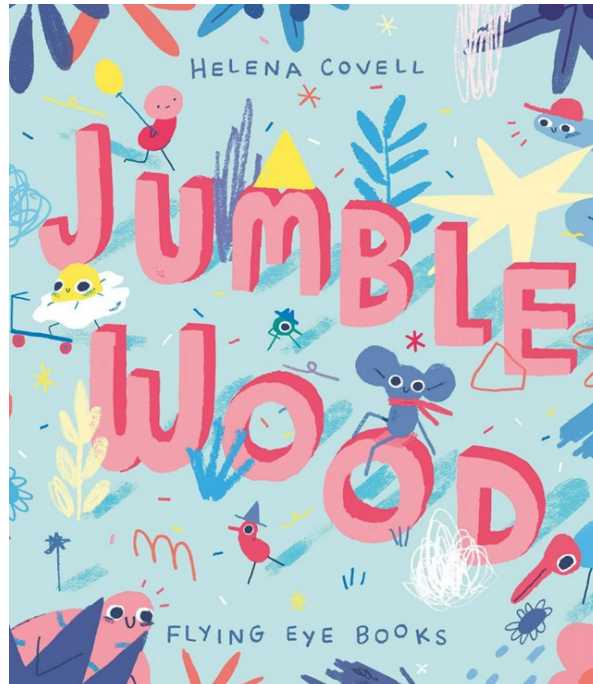

'I think I like letters and numbers.' **Cameron**

'Car.' **Andrei**

'I want to tell you what makes me happy...dressing up with my clothes.' **Imogen**

'I like Mummy.' **Hamidiath**

'I like to play games with Mummy and Daddy.' **Aubrey**

Bumblebee class recommend 'The Colour Monster' written by Anna Llenas. The colour monster is feeling very mixed up with emotions and starts off being all the colours at once. As you read the story you get introduced to different emotions and their colours.

Masha - 'I like the pink because I love love!'

Dorothea - 'I like all the colours, it's so colourful!'

Miles - 'The yellow makes me so happy.'

Rufus - 'I like when the colour monster gets happy and goes pink.'

Year 3 Learning

Class 9 acted out scenarios demonstrating 'goodies' and 'baddies' in line with their lesson on stories that teaches the value of not giving up. We worked in small groups, planning, preparing and performing our scenes. The scenes showed the different characteristics between good and bad characters and how people can change as a story progresses.

On Thursday, Year 3 baked their own bread as part of their D.T. topic. The children in **Class 7** combined ingredients, then mixed and kneaded their dough. The children then allowed the mixture to rise, before finally baking their own individual bread roll!

"My roll was soft on the inside, the outside was chewy and crunchy. I would give it a 10/10!" **Olivia Benns**

'In class 6, we were excited to make soft, tasty bread!' Kendra

'In class today, we were baking scrumptious, chewy bread.' Dylan

'As part of our DT topic, we made crunchy, white bread and some of us made brown, seeded bread.' Miona

'In our DT lesson, we made soft, seedy bread.' Oliver

'In our class today, we made some crusty, white bread. I am curious to find out what our bread tastes like.' Alaa

Sport News!

Thursday 23rd March 2023 saw our Year 3&4 girls only football team make the long trip across London to Ilford to play in the prestigious **London Youth Games**.

As the current Southwark champions they were representing the borough in a group including 3 other schools. There were seven other boroughs with the winner and best "runner up" qualifying to the knockout stages. After a quick warm up and instructions being given we started our first game but looked a bit nervous and after a very brave performance lost 3-0.

It would've been easy for the team to give up but they are made of sterner stuff and totally demolished the next two opponents 3-0 and 1-0 and so progressed through to the knockout stages! After having a nutritious lunch, they approached the next game with huge confidence and took an early lead through super striker Anna Speight. Goal Keeper, Mae Goodson, kept us in the game with some outstanding saves before they equalised with a couple of minutes to go. Unfortunately, shortly afterwards they broke away again to grab a last minute winner just as the referee was about to blow for full time.

Although disappointed but like true sports individuals, they held their heads high as they shook hands before gathering for a post-match analysis.

**We win together!
We lose together!
We go again!**
