

# Year 2

## Animals, including humans

### We are learning about:

- **how animals change** (notice that animals, including humans, have offspring which grow into adults)
- **what animals need to survive** (find out about and describe the basic needs of animals, including humans, for survival - water, food and air)
- **what we need to do stay healthy** (describe the importance for humans of exercise, eating the right amounts of different types of food, and hygiene)

### We are learning to:

- **look closely** (to be able to use observations to suggest answers to questions, observe using simple equipment.)
- **test an idea** (to be able to perform a simple test)
- **record my findings** (to be able to record data in a tally chart/table)
